Directions and Parking

Directions

SAIC's location at Campus Point Drive is indicated by the "orange E box" E on Map 1. We will be meeting in Building H, 10140 Campus Point Drive, as shown on the little blow-up inset map. Here is a picture of the building:

Map 2 shows the location of SAIC on a MapQuest map.

Map 3 shows the location of the Hyatt Regency hotel on a MapQuest map.

Map 4 has directions from the Hyatt Regency hotel to SAIC. This map shows the path along which you would walk if you choose to do this. You can also drive this same way.

Parking

You can park your car in the lot at Building H, where we are located, as indicated on Map 5. There usually is plenty of space. Please note that entry into the lot is controlled by a gate, so that once you enter the lot, you will need an access code to leave. I will supply you with this code after you arrive. As you come down the hill on Campus Point Drive, you turn left into the parking lot of Building H just before you reach the STOP sign at Campus Point Court. The parking lot entrance is just next to the four-story brown building at the corner. (If you reach the STOP sign, you have gone too far. Make a U-turn and go into the first parking lot on your right.)

Badge

Please take the elevator to the 3rd floor of Building H and register with the receptionist to get a badge. They will be expecting you. The location of Building H is shown on Map 5. If you wander into any other SAIC building by mistake, the receptionist can direct you to Building H.
